NOTE—Contn. Sheet

The Board could not find money to undertake even urgent work upon account of damages by floods & just had to help the Govt. But this case of the Kheri Club seems to deserve consideration on account of the heavy expenditure the Govt. has incurred from which the Club can benefit this year is pointed out. May perhaps be favourably considered.

LB 6-24-5

I have the honour to address you on the question of revision of the Establishment of the Kadur District Board Office by enhancing the pay of the Head Clerk from 40-3-55 to 57-4-77.

2. A statement is appended showing the present scale of Establishment of the Board Office in this District and in the other Districts and it will be seen therefrom that in no District is the pay of the Head Clerk so low as here.

3. The work of the Head Clerk of the Board Office is by no means less onerous than that of the Head of any section of the - District Office, Judicial, Munshi, or Excise Branches - the Heads of all these Sections draw the pay of 57-4-77.

Besides Local Fund work, the District Board Office has to deal with matters relating to Malnad Improvement, which according to the recent comprehensive order of 1st October 1924 throws heavy burden on the Board Office.

Besides this, this office deals with Village Improvement work and the Irrigation Cess Budget is prepared in this office.

Under the Reforms scheme, Local Subjects are to be dealt with by the District Board and this arrangement has considerably added to the existing responsibilities.

4. Though there may be sufficient justification to increase the staff of the Office, it is considered desirable to reduce the recurring additional expenditure on Establishment to the minimum and the Board have in their meeting held on the 22nd November last resolved that the pay of the ministerial head of the Office may be brought in to line with that - in other corresponding Offices.

5. In submitting a copy of the Board's resolution for the kind consideration and sanction of Government I may be permitted to invite reference to the observations of the First Member of Council when he visited the District Board Office in April last (Vide page 7 of the Printed Tour Notes).

Flag Q

In the interest of securing efficiency in the office of the District Board I would strongly support the Board's proposal.

6. The extra cost involved which is Rs. 249/- per annum can be met out of existing resources as according to the current year's Budget the normal expenditure Rs. 42,169/- is well within the normal income Rs. 51,086/-.

Flag J

The extra expenditure in the current year i.e. about Rs. 102/- for six months will be provided for by reappropriation out of - other items 5 & Misellaneous - Rs. 750/-.

Flag R.

7. In these circumstances I request that you may be so good as to obtain early sanction of Government to the Board's recommendation to revise the scale of pay of the Head Clerk from 40-3-55 to 57-4-77.

The new scale may be given effect to from 1st January 1925.

8. A proposition statement showing the present and proposed

scale

scale and the extra cost involved is enclosed for reference.

I have the honour to be,

Sir,

Your most obedient servant,

President,

Subject No. 24.

Revision of Establishment of the District Board Office.

Resolution:--

The Board consider that in view of the heavy and arduous nature of the Head Clerk's duties, his pay should be increased from 40-3-55 to 57-4-77 as in other District Board Offices. The extra cost involved during the current year will be met by reappropriation, and ways and means should be found for meeting the extra cost from next year.
